PROTECTIVE SYSTEMS

"If we can't save it, it can't be saved"

Dear Contractor:

Attached please find the paperwork for your customer. It is imperative that your customer be informed that a cleaning of the unit(s) be performed by you every 6 months (quarterly if close to the ocean) using a non-acid Cleaner to keep their implied warranty in effect.

Warranty document(s) must be signed by your customer and copy of signed warranty be faxed to our office **at 386/257-4008**, to initiate warranty.

There is a maintenance form enclosed for you, the contractor, to complete at each cleaning and fax to 386/257-4008.

If you should have any questions, please give me a call.

Sincerely,

Renee Carpenter
